ROYAL OAK — Dream Cruise fans can take a nostalgic step into the past this year at Just Baked cupcake shop in Royal Oak.

The shop, which opened at 32828 Woodward Ave. in April, will feature Faygo Red Pop, Orange Pop and Grape Pop cupcakes and Pink Cadillac cupcakes made with pink lemonade.

Owner Pam Turkin will use real Faygo pop in the recipe.

In the "Cadillac" cupcake, she will use lemonade concentrate.

Turkin said the shop also will have 30 to 40 other cupcake delights to offer customers.

"We're excited," Turkin said. "We're anticipating big crowds and lots of hungry people."
