The third PaperBoy Food challenge was a daunting task in a different way, with sugar overload replacing massive meaty portions as the major foe.

With Paul Kampe filling in for Kyle Duda, the guys travel to **Just Baked in Royal Oak**. With the participants feeling some holiday cheer, the guys attempted to scarf as many Christmas-themed cupcakes as possible.

How many can they handle? Is this the

week that their stomachs allow a victory over the food? Can they rack up the self esteem necessary to compete at a high level?

Those questions are answered during this holiday version of the PaperBoy Food Challenge.
